

PRAYER

Prayer for My Adult Children

Dr. Randy Carlson

Lord, we gave our children a home to grow in;
I ask you to give them a life to thrive in

Lord, we gave our children an education;
I ask that you give them your wisdom

Lord, we gave our children food for physical strength;
I ask you to give them the Bread of Life

Lord, we gave our children clothes for their bodies;
I ask that you give them a covering of your grace
for their souls

Lord, we gave them safety; I ask that you build
a hedge of spiritual protection around them

Lord, we gave them a family and earthly home;
I ask that you give them a home in Heaven

Lord, as my children require less from me,
may they lean more on you

Lord, help me recall the warm and fun
memories from my years as a parent

And Lord, I ask that the years ahead
would be filled with friendship and love
